

Jewish Family Service Corps

Education-Activism-Action for the WHOLE family!

Jewish Family Service Corps is a Jewish service and education program for families with students in Elementary and Middle School.

Rooted in the core values of Judaism, the whole family participates together to strengthen family ties while serving the constituents of JFS including refugee families and individuals, older adults in guardianship, and families in need.

Join us for this opportunity to engage meaningfully together as we form a cohort of families committed to social action.

Sign up now! REGISTER* online at www.jfswm.org/jewish-family-service-corps/.
