VOLUNTEER FINGERPRINT APPOINTMENT COMPANION

Resettled families often have no means of transportation other than JFS staff and volunteers.

Due to recent changes made to U.S. Citizenship and Immigration Services (USCIS) policies, we urgently need volunteers to accompany our clients to USCIS Biometric Screening appointments.

These fingerprinting appointments are required when applying for everything from student visas to green card applications.

Time Commitment: 2-6 hours/month during business hours (M-F). Appointments last 15-20 minutes.

Location: Appointments are usually in East Hartford.

Requirements: Driving the clients to/from USCIS, waiting during their appointment.
